Burn Permit Information

This permit is an application for a controlled burn pursuant to Polk City Ordinance 105.05 and the approved Policy for Open Burning. Upon receipt of a completed application, the Fire Chief is authorized to permit or deny a permit for open burning. It does not constitute a burning permit until signed by the Fire Chief and returned. Authorization to permit an open fire will not be granted when such conditions arise that would deem such fires to be a safety hazard. The Fire Chief shall have the authority to suspend this permit at any time.
