

Polk City Alleman

The Polk City/Alleman On Call is a neighborhood shuttle service that provides transportation between Polk City, Alleman and Ankeny.

How To Use

DART's On Call service is one of the easiest forms of transportation available. The shuttle operates along a designated route, with scheduled stops in each community, but with advance notice can pickup and drop-off passengers at locations along the route on a time and space available basis. The schedule lists departure times for several key stops. Plan to arrive at your stop 5 minutes early.

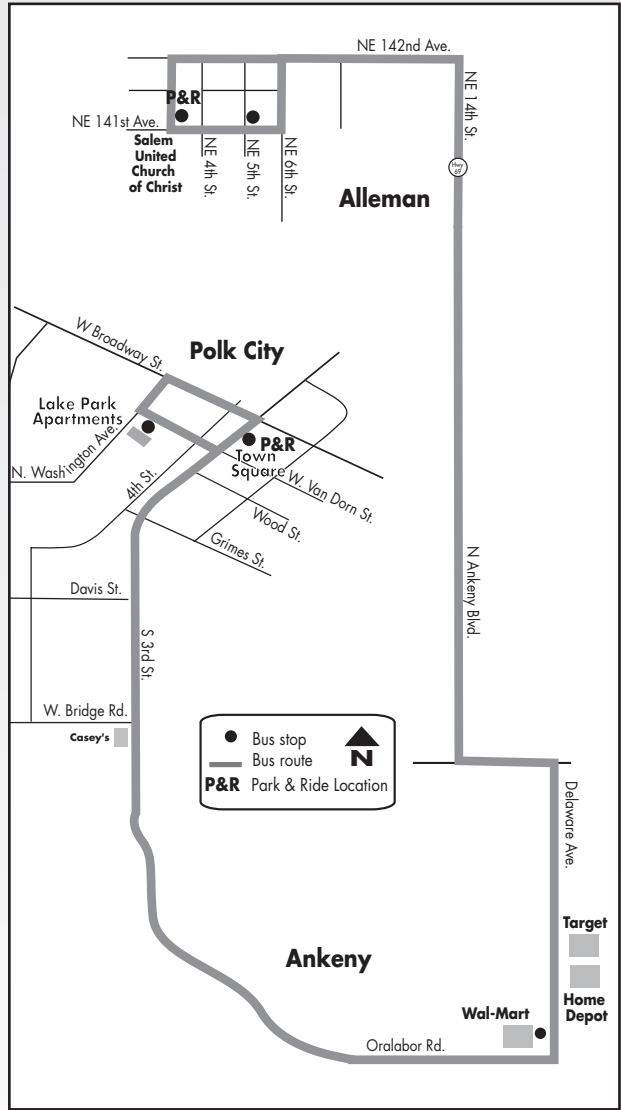

Trip Requests

If you cannot get to a scheduled DART On Call stop, or if your destination is not close to a stop, you may still be able to use DART On Call by scheduling your trip in advance. These trips are available on a first-come, first-served basis and are limited to the number and type of trips that ensure the bus service is reliable for all customers.

Trips may be scheduled by calling at least 30 minutes in advance and can be made up to 7 days in advance. You may be asked to get on or off the bus at a location that is within a few blocks of your origin or destination. Some locations are not accessible to DART On Call buses.

DART On Call buses will meet you at the curb of your pickup location. If you are not at the pickup point, the bus will not wait. Plan to arrive at your stop 5 minutes early.
