Polk City, IA 50226

Dear Honorable Gary Heuertz,

This letter is to notify your city of an upcoming channel changes. On or about January 4, 2011 the following changes will be made:

The following channel is being added to Digital Broadcast Basic:

<u>Channel Addition</u>	<u>New Channel Location</u>
Antenna TV	114

Digital Broadcast Basic channels are included with Broadcast Basic and Family Cable service. However, a TV with a digital QAM tuner or a Mediacom Digital Tuner is needed on each TV to receive these channels. If you are **not** using Mediacom supplied equipment, please be sure to auto-program your TV set. Display channels may vary when using a TV with digital QAM tuner.

If there are any questions please call me at 515-246-2205 or you can contact me by e-mail bpeard@mediacomcc.com.

Sincerely,

Bill Peard
Senior Manager, Government Relations
